About the Seminar

Is your company looking to expand to Europe? Do you want to establish a legal structure and know more about the benefits of the Netherlands and how we are structured?

Or is your Tech-company looking to work with innovative counterparts from the Netherlands? Then this Investment & Trade seminar is for you.

Location will be communicated later. Please note: this seminar is for companies - and not meant for consultants.

**Please RSVP before 12 February 2020 to:
